

St. Louis Parish Marian Year Prayer

Loving Mother of our Lord Jesus Christ, the Savior of the World, we your children, the members of St. Louis Parish, come before you seeking your intercession as we honor you this year and as we prepare to consecrate our parish to you and your motherly care.

We ask you to intercede with God our Almighty Father to look upon us with mercy and to forgive our many sins against Him and our neighbors.

We ask you to intercede with your Most Holy Son to fill us with a spirit of repentance and reconciliation so that we may be ready to consecrate our parish to you in purity of spirit.

We ask you to intercede with the Holy Spirit of God to purify and sanctify us as He purified and sanctified you throughout your entire life on earth from your holy and immaculate conception through your most glorious assumption into heaven.

Finally, Most Holy Mother of God, we ask for your motherly love and care in our lives and in our parish, that we may consecrate ourselves to you.

Amen.
